This information shall indicate at least the subject of the public procurement and the date of publication of the notice in the Register of public procurement orders and it cannot include information not contained in the notice.

Art. 27a. (new – SG 93/11, in force from 26.02.2012) (1) (amend. – SG 33/12; amend. – SG 40/14, in force from 01.10.2014) The contracting authority may, on its own initiative or upon a violation warning, make single amendments of the notice and/or the documentation of the public procurement, related to provision of legitimacy of the procedure, correcting of blanks or of an obvious error of fact.

(2) (amend. – SG 40/14, in force from 01.10.2014) Each person may make a proposal for amendments in the notice and/or the documentation within 10 days after the publication of the notice for opening of the procedure.

(3) (amend. – SG 40/14, in force from 01.10.2014) The amendments referred to in par. 1 shall be carried out by a decision for an amendment within 14 days after the publication of the notice in the Public procurement Register. The decision and the amended documents shall be published on the buyer’s profile on the first business day following the day of their forwarding to the Agency.

(4) By the decision for amendment the contracting authority shall not have the right to amend the works and/or supplies according to the announced subject of procurement.

(5) In the decision referred to in par. 3 the contracting authority shall set out also a new term for receiving of offers or of applications, which may not be shorter than the initially fixed one.

(6) The contracting authority may not determine a new term referred to in par. 5, where the amendments do not affect the selection criteria, the requirements to the offer or the implementation of procurement.

(7) Upon expiration of the term referred to in par. 3 the contracting authority may publish a decision for amendment, only in case of extending of the terms announced in the procedure.

(8) The contracting authority shall be obliged to extend the terms announced in the procedure:

1. where it is found out, that the initially determined term is not sufficient for preparation of offers, including because of required on the spot reviewing of additional documents to the documentation or a site visit;

2. (amend. – SG 40/14, in force from 01.10.2014) in cases referred to in Art. 29, par. 3.

(9) The contracting authority may extend the terms announced in the procedure, where:

1. within the initially determined term there are no submitted applications or offers or only one application or offer have been submitted;

2. this is required following appeal proceedings;

3. (new – SG 33/12) the term referred to in art. 51, par. 3 is not sufficient.

(10) By the publication of a decision for amendment in the Register of public procurement orders it shall be deemed that all interested parties have been duly notified.
Art. 27b. (new – SG 93/11, in force from 26.02.2012) (1) Article 27a shall not apply in the cases referred to in Art. 76, par. 3 and Art. 86, par. 3.
(2) In cases referred to in par. 1 the contracting authority may publish a decision for amendment in the Register of public procurement orders, thus extending the announced terms for submission of applications, where:
1. within the initially fixed term there are no submitted applications or only one application has been submitted;
2. this is required following appeal proceedings.

(6) (amend. - SG 37/06, in force from 01.07.2006; prev. text of para 4, amend. – SG 94/08, in force from 01.01.2009; amend. – SG 93/11, in force from 26.02.2012; prev. par. 5, amend. – SG 33/12; amend. – SG 40/14, in force from 01.07.2014) The documentation for participation shall be published in the buyer’s profile on the first business day following the day of publication of the notice.

(7) (new – SG 93/11, in force from 26.02.2012; prev. par. 6 – SG 33/12; amend. – SG 40/14, in force from 01.07.2014) The contracting authority shall not have the right to set a requirement for the application documentation to be obtained at sight and shall be obliged to provide the documentation to every person requesting so, including by sending it at their expense. In these cases the contracting authorities may request from the persons to pay for the documentation, whereby the price shall be indicated in the notice and it may not exceed the actual cost of its printing and copying.

(9) (new – SG 93/11, in force from 26.02.2012; prev. par. 8 – SG 33/12; amend. – SG 40/14, in force from 01.07.2014) In cases referred to in Art. 27a, par. 1 the contracting authority shall provide free of charge the amended documents to the persons having purchased the documentation prior to issuance of the decision for amendment.

Art. 28a. (new – SG 40/14, in force from 01.07.2014) (1) Where the assessment criterion in economically most favorable offer:

1. the selected parameters and their relative weight in the complex assessment should guarantee the selection of the offer quoting the best quality-price ratio;

2. the assessment parameters shall assess individually the parameters of the subject of the public procurement in terms of quality, price, technical advantages, aesthetic and functional characteristics, characteristics related to environmental protection, current expenses, profitability, servicing and technical assistance, date of delivery and period of delivery or execution time, etc.; in case of awarding of public procurements under Art. 3, par. 2, also parameters like expenses during the life time of the product, delivery safety, operating compatibility, working parameters, etc. can be included;

3. for public procurement of construction works, the assessment parameters can be used for the assessment of characteristics, related to:
   a) the quality or technical parameters of used construction products, to construction and installation works or of the construction project, or
   b) the quality of the suggested technologies and/or organization of construction project implementation, or of individual construction and installation works.

(2) Relative weights of assessment parameters may be determined:

1. by a specific value within the general evaluation, or
2. by descending prioritization – where for objective reasons it is not possible to apply the provision of item 1.

(3) The instructions for determination of the evaluation by every parameter must:

1. provide opportunity to evaluate the level of execution, offered in every bid, according to the subject of the public procurement and technical specifications;
2. provide opportunity to compare and to assess objectively technical proposals in the bids;
3. provide to the applicants and to the participants sufficient information about the rules to be applied for the determination of the evaluation by each individual parameter, whereas:
a) for the quantitatively determinable parameters the parameters values are determined in figures or in percentages and the method of their calculation is described;
b) for the qualitative parameters, which are not determinable quantitatively, the method of their assessment by the commission is described with specific value through an expert assessment.

(4) Inclusion of assessment parameters which are not connected directly with the public procurement subject shall not be allowed, neither of parameters considering the time of making of the payments in contractor’s favour (deferred or payment in installments).

(5) In case of public procurement with a subject engineering and implementation of construction works, the assessment parameters shall include characteristics referred to in par. 1, item 2 both regarding the engineering and the construction works.

Art. 29. (amend. – SG 40/14, in force from 01.10.2014) (1) The persons may request in writing from the contracting authority clarifications on the documentation for participation within 10 days, and for public procurements under Art. 14, par. 3 – within 7 days prior to expiration of the deadline for the receipt of the bids or application.

(2) The explanations under par. 1 shall be published on the buyer’s profile within 4 days after the receipt of the request. if the persons have provided an email address, the explanations will be sent to it as well on the day of their publication on buyer’s side. The explanations should not provide information about the persons having requested them.

(3) Where from publishing of the explanations by the contracting authority to the deadline for receiving of bids or applications less than 6 days are remaining, and in cases referred to in Art. 14, par. 3 – less than three days, the contracting authority shall be obliged to extend the term for receiving of bids or of applications.

(4) In cases referred to in par. 3 the decision for amendment shall be published on the buyer’s profile on the day of its forwarding for publication in the Public procurement registry. From the day of publication on the buyer’s profile to the deadline for submission of bids there must not be less than 6 days, and in cases referred to in Art. 14, par. 3 – less than three days.

The commission shall propose one representative of all the present participants, who shall sign the other participants’ envelopes No 3.

(5) (prev. text of par. 4, amend. and suppl. - SG 37/06, in force from 01.07.2006; amend. – SG 94/08, in force from 01.01.2009; amend. – SG 52/10; amend. - SG 93/11, in force from 26.02.2012; suppl. – SG 40/14, in force from 01.07.2014) At the presence of the persons referred to in para 3 the commission shall open envelope No 2 and at least three of its members shall sign all the documents and the information, included therein. The commission shall propose a representative of each of the present participants who shall sign the documents of other participants’ in envelope No 2. Afterwards the
commission shall open envelope No 1, shall declare the documents included therein and shall verify the
compliance with the list referred to in Art. 56, par. 1, item 14.

(6) (prev. text of par. 5 - SG 37/06, in force from 01.07.2006; suppl. – SG 94/08, in force from
01.01.2009; amend. – SG 52/10) After carrying out the actions under paragraphs 4 and 5 the public part
of the commission’s session shall be considered concluded.

(7) (prev. text of par. 6, amend. and suppl. - SG 37/06, in force from 01.07.2006; amend. – SG
52/10; amend. - SG 93/11, in force from 26.02.2012; suppl. – SG 40/14, in force from 01.07.2014) The
commission shall review the documents and the information contained in envelope No. 1 for compliance
with the selection criteria, set by the contracting authority, and shall issue a protocol thereof.

(8) (new – SG 94/08, in force from 01.01.2009; amend. – SG 52/10; amend. - SG 93/11, in
force from 26.02.2012; amend. – SG 40/14, in force from 01.07.2014) Where missing documents and/or
non-conformity with the selection criteria and/or any other irregularity, including factual mistake, the
Commission shall take a record of them in the protocol referred to in par. 7 and shall forward the
protocol to all participants on the day of its publishing on the buyer’s profile.

(9) (new – SG 52/10; amend. – SG 40/14, in force from 01.07.2014) Participants shall submit to
the commission relevant documents within 5 work days after the receipt of the protocol referred to in
par. 7. Where missing documents and/or non-conformity with the selection criteria are identified, the
participant may, subject to compliance with the contracting authority requirements specified in the
notice, replace the already submitted documents or to provide new ones, by which they believe they will
meet the selection criteria set out by the contracting authority.

(10) (new – SG 52/10; amend. - SG 93/11, in force from 26.02.2012; amend. - SG 93/11, in
force from 26.02.2012) After the term under para 9 expires the Commission shall proceed with revision
of additionally submitted documents regarding the conformity of participants with the selection criteria,
set by the contracting authority. The Commission shall not consider the documents of the participants in
envelope No 2 which do not comply with the selection criteria.

(11) (new – SG 52/10; amend. - SG 93/11, in force from 26.02.2012) Where necessary, the
Commission may at any time:
1. verify the information stated by the participants, including by requesting information from
other bodies and persons;
2. require from the participants:
   a) explanations on the stated by them information;
   b) additional proof of the information in the documents, contained in envelopes No 2 and 3,
whereas this opportunity may not be used for modifications of the technical and price offer of the
participants.

Art. 68a (new - SG 93/11, in force from 26.02.2012) (1) The commission shall notify the
contracting authority, where in the course of its work justified doubts have occurred of agreements,
decisions of coordinated practices between participants within the meaning of Art. 15 of the Protection
of Competition Act.

(2) In cases referred to in par. 1 the contracting authority shall notify the Commission for
protection of competition. Notification shall not suspend the conduction and finalization of the
procedure.

Art. 69. (1) (amend. - SG 37/06, in force from 01.07.2006) The commission shall propose for
removal from the procedure a participant:
1. (suppl. – SG 37/06, in force from 01.07.2006; suppl. – SG 40/14, in force from 01.07.2014)
who has not presented some of the necessary documents or information under art. 56;
2. (amend. - SG 37/06, in force from 01.07.2006) for whom present are circumstances under art. 47, para 1 and 5 and the ones, indicated in the notice under art. 47, para 2;
3. (amend. and suppl. - SG 37/06, in force from 01.07.2006) who has filed an offer which does not meet the terms of the contracting authority announced in advance;
4. (suppl. – SG 37/06, in force from 01.07.2006) who has filed an offer which does not meet the requirements of art. 57, para 2;
5. (new - SG 93/11, in force from 26.02.2012) about whom following the provision of Art. 68, par. 11 it has been identified, that he/she has provided incorrect information for proving of his/her compliance with the selection criteria announced by the contracting authority.
   (2) (amend. - SG 37/06, in force from 01.07.2006; revoked – SG 33/12)
   (3) (amend. and suppl. - SG 37/06, in force from 01.07.2006) The participants shall be obliged, in the process of holding the procedure, to inform the contracting authority for all occurring changes in circumstances under art. 47, par. 1 and 5 and the ones, indicated in the notice under art. 47, par. 2, within 7 days from their occurrence.

Art. 69a. (new – SG 94/08, in force from 01.01.2009) (1) The envelope containing the price proposed by a participant whose offer does not meet the contracting authority’s requirements, shall not be opened.
   (2) (amend. – SG 93/11, in force from 26.02.2012) Where the criterion is economically the most favourable offer, the commission shall open the envelope containing the proposed price, after having carried out the following:
      1. has considered the offers in the envelope No. 2 for verification of their compliance with contracting authority requirements;
      2. has verified the existence of the grounds referred to in Art. 70, par. 1 for the offers contained in envelope No. 2;
      3. has assessed the offers against all other parameters, except for the price.
   (3) (amend. – SG 93/11, in force from 26.02.2012; amend. - SG 40/14, in force from 01.07.2014) Within two work days prior to the date of opening of the price quotations, the Commission shall announce minimum by a notice on the buyer’s profile the date, time and place where the opening shall take place. Where the criteria is economically most favorable offer, the notice shall contain also the bids assessment results in terms of other assessment parameters. The opening of the price quotations shall be done publicly under the provisions of Art. 68, par. 3. At the time of opening of the price quotations, the commission shall announce the quoted priced and shall suggest one representative of attending participants to sign the price quotations.
   (4) Where the criterion is economically the most favourable offer, the commission shall announce the assessment results regarding the offers by the other indices to the persons present under para 3.

Art. 70. (1) (amend. - SG 37/06, in force from 01.07.2006; suppl. – SG 94/08, in force from 01.01.2009; amend. – SG 52/10; amend. – SG 93/11, in force from 26.02.2012) Where the offer of a participant contains a price quotation subject to assessment, and it is by more than 20 per cent more favourable than the average cost of the proposals submitted by other participants in terms of the same assessment criteria, the commission shall require from him/her a detailed written substantiation of the offered price. The commission shall set a reasonable term for producing the substantiation, which may not be shorter than three working days from the receipt of the request for that.
   (2) (amend. - SG 37/06, in force from 01.07.2006; amend. – SG 94/08, in force from 01.01.2009) The commission may accept the written substantiation under para 1 and not to propose
elimination of the offer if objective circumstances are pointed out related to:
1. an original solution of fulfilment of the public procurement;
2. the offered technical resolution;
3. (amend. - SG 37/06, in force from 01.07.2006) The presence of exceptionally favourable conditions for the participant;
4. frugal fulfilment of the public procurement;
5. (new - SG 37/06, in force from 01.07.2006) providing government support.
(3) (amend. - SG 37/06, in force from 01.07.2006) Where the participant does not present the written substantiation in time or the commission deems that the pointed circumstances are not objective, the commission shall propose the participant for removal from the procedure.
(4) (new - SG 37/06, in force from 01.07.2006) If the commission establishes that the offer of a participant is with unusually low price because of government support provided, the legal ground of which is not possible to be proved within the fixed term, it may propose the offer to be rejected and the participant - removed.

Art. 71. (1) The commission shall consider the admitted offers and shall assess them in compliance with the terms announced in advance.
(2) (amend. - SG 37/06, in force from 01.07.2006) Where the contracting authority has admitted presenting options in the offer, the commission may not reject an option only on the grounds that the choice of this option would lead to a conclusion of a contract for services instead of a contract for delivery and vice versa.
(3) (amend. - SG 37/06, in force from 01.07.2006) The commission shall rate the participants by the degree of compliance of the offers with the terms announced by the contracting authority in advance.
(4) (new – SG 52/10) If the complex assessments of two or more offers are identical, where the selected criterion is the one under Art. 37, para 1, item 2, as economically the most favourable offer shall be considered the one with the lowest price. In those cases where the offered prices are also equal, the assessments shall be compared on the basis of the index with the highest relative value and shall be selected the offer with the most favourable value of the said index.
(5) (new – SG 52/10) The Commission shall conduct a public lot in order to designate a contractor among the first rated offers, provided that the public procurement is being assigned:
1. with the "the lowest price" criterion and this price is offered in two or more offers, or
2. with the "the most favourable offer economically" criterion, however this offer may not be assessed pursuant to para 4.

Art. 72. (1) The commission shall draw up written records for the consideration, assessment and rating of the offers, containing:
1. members of the commission and a list of the consultants;
2. (amend. - SG 37/06, in force from 01.07.2006; amend. – SG 94/08, in force from 01.01.2009) a list of the participants, proposed for removal from the procedure and the motives for their removal;
3. statements by the consultants;
4. (amend. - SG 37/06, in force from 01.07.2006) the results from the consideration and the assessment of the admitted offers, including a brief description of the offers of the participants and the assessment by each index where the criterion of assessment is economically the most favourable offer;
5. (amend. - SG 37/06, in force from 01.07.2006) the rating of the participants whose offers have been admitted to consideration and assessment;
6. date of drawing the written records;
7. (new – SG 52/10) dissenting opinions, where there are such, along with the respective grounds thereof by the commission members.

(2) The written records of the commission shall be signed by all members and shall be submitted to the contracting authority along with the whole documentation.

(3) (amend. – SG 93/11, in force from 26.02.2012) The commission shall complete its work by acceptance of contracting authority report.

Section III.
Choosing Contractor of the Public Procurement

Art. 73. (1) (amend. - SG 37/06, in force from 01.07.2006; suppl. – SG 24/09; amend. – SG 93/11, in force from 26.02.2012) Within 5 working days after the conclusion of the work of the commission, the contracting authority shall issue a motivated decision, announcing the rating of the participants and the participant, chosen as a contractor.

(2) (amend. - SG 37/06, in force from 01.07.2006) Pointed in the decision under para 1 shall be the participants and offers removed from participation in the procedure and the motives for their removal.

(3) (amend. and suppl. - SG 37/06, in force from 01.07.2006 and from 01.01.2007 regarding second sentence) The contracting authority shall send the decision under para 1 to the participants within three days from its issuance. The contracting authority shall notify the European commission in the cases under art. 70, par. 4.

(4) (amend. - SG 37/06, in force from 01.07.2006; amend. – SG 93/11, in force from 26.02.2012; amend. - SG 40/14, in force from 01.10.2014) The contracting authority shall publish in the buyer’s profile the decision referred to in par. 1 together with the protocol of the commission subject to compliance with the provisions of Art. 22b, par. 3 and shall forward the decision of the participants on the same day.

Art. 74. (amend. - SG 37/06, in force from 01.07.2006) (1) The contracting authority shall conclude a public procurement contract with the participant, rated first by the commission and chosen for contractor.

(2) (amend. – SG 52/10; amend. – SG 93/11, in force from 26.02.2012) The contracting authority may by a decision nominate a contractor and conclude a contract with the second rated participant in those cases where the participant who was been rated first:
1. refuses to conclude a contract;
2. fails to fulfill any of the requirements set out in Art. 42, para 1;
3. (new – SG 93/11, in force from 26.02.2012) does not meet the requirements referred to in Art. 47, par. 1 and 5 or the requirements referred to in the notification of Art. 47, par. 2.

Chapter six.
LIMITED PROCEDURE

Art. 75. (1) (prev. text of art. 75, amend. - SG 37/06, in force from 01.07.2006; suppl. – SG 33/12) In the notice for public procurement assigned by way of a limited procedure, the contracting authority may limit the number of candidates he/she intends to invite to present offers, provided that this number may not be less than 5, and in cases referred to in Art. 3, par. 2 – less than 3. The contracting
authority may also point out the maximum number of candidates. The number of the invited candidates must be sufficient in order to guarantee free and loyal competition.

(2) (new - SG 37/06, in force from 01.07.2006) The contracting authority shall point out in the notice for public procurement objective and non-discriminatory criteria or rules, which shall be applied in the selection of the candidates under par. 1.

Art. 76. (1) (suppl. SG 31/05, in force from May 1, 2005; amend. – SG 93/11, in force from 26.02.2012) The contracting authority shall send the notice for public procurement to the Registry Agency in the Public Procurement Register at least 37 days before the deadline for receiving the applications for participation in the preliminary selection of candidates.

(2) (new - SG 37/06, in force from 01.07.2006) The term under par. 1 may be reduced by 7 days, if the notice is sent by electronic means also.

(3) (prev. text of par. 2, amend. - SG 37/06, in force from 01.07.2006) Upon occurrence of circumstances of exceptional urgency, as a result of which it is impossible to meet the deadline under para 1, the contracting authority under art. 7, items 1 - 4 may determine a term for receiving the applications for participation in the preliminary selection, not shorter than 15 days from the date of sending the notice – or not shorter than 10 days, if the notice is also sent by electronic means.

(4) (prev. text of par. 2, amend. - SG 37/06, in force from 01.07.2006) In the cases of para 3 the contracting authority shall be obliged to indicate in the notice for public procurement the concrete circumstances of exceptional urgency.

(4) (revoked - SG 37/06, in force from 01.07.2006)

Art. 77. (1) The contracting authority shall carry out a preliminary selection for the purpose of determining the candidates having the necessary financial and technical resources to fulfil the public procurement.

(2) Every candidate may file an application for participation in the preliminary selection.

(4) (amend. - SG 37/06, in force from 01.07.2006; suppl. – SG 52/10; amend. – SG 93/11, in force from 26.02.2012; amend. - SG 40/14, in force from 01.07.2014) To the application shall be attached also the requirements of Art. 56, par. 2 - 5

Art. 78. (1) (amend. - SG 37/06, in force from 01.07.2006; amend. – SG 93/11, in force from 26.02.2012) The application shall be produced by the order of art. 57, para 1, 4, 6, by fax or announce on the phone.

(2) (new - SG 37/06, in force from 01.07.2006) When the application for participation is announced on the phone, the candidate must confirm it in writing before the expiry of term for receiving applications.

(3) (new - SG 37/06, in force from 01.07.2006) When the application for participation is sent via fax, the contracting authority may oblige the candidate to confirm it by a letter, sent with return of service or by electronic means. This requirement, as well as the term for receiving the written
confirmation, must be pointed out in the notice for public procurement.

(4) (new - SG 37/06, in force from 01.07.2006) The conditions and the procedure for receiving and preserving the applications, sent by electronic means or via fax, shall be settled by the Rules for implementation of the Act.

(5) (prev. text of par. 2 - SG 37/06, in force from 01.07.2006) During the preliminary selection the contracting authority shall not have the right to require, and the candidate shall not have the right to present an offer.

Art. 79. (1) (amend. - SG 37/06, in force from 01.07.2006; amend. - SG 40/14, in force from 01.07.2014) The contracting authority shall appoint a commission for the conducting of the procedure according to the provisions of art. 34 - 36.

(2) (suppl. – SG 37/06, in force from 01.07.2006; amend. SG 94/08, in force from 01.01.2009; suppl. – SG 52/10; amend. - SG 40/14, in force from 01.07.2014) The commission shall consider the filed applications by the procedure set out in Art. 68, paras 7 through 11 and shall make a selection of the candidates on the grounds of the documents, presented according to the notice, certifying their economic and financial status, their technical capacity and/or qualification for fulfilment of the public procurement. Opening of applications shall be done publicly subject to compliance with the provision of Art. 68, par. 3.

(3) (new – SG 33/12) The contracting authority shall determine the terms and conditions for participation of other persons beyond the commission members for orders under Art. 3, par. 2, containing or requiring classified information.

(4) (new – SG 33/12) Where the number of applicants meeting the requirements, indicated in the notice for the procedure, exceeds the announced maximum number of persons, to be invited to submit offers, the commission shall make a selection based on the objective and non-discriminatory criteria indicated in the notice.

(5) (new - SG 37/06, in force from 01.07.2006; amend. – SG 33/12) The commission shall issue a protocol for the result of the selection, containing:

1. commission members and list of consultants;
2. list of applicants, not meeting the requirements announced by the contracting authority, and also the reasons thereof, including in cases of a subject under Art. 3, par. 2, where the requirements regarding protection of classified information and supplies safety have not been complied with;
3. list of applicants, meeting the requirements announced by the contracting authority, respectively selected applicants based on the objective and non-discriminatory criteria indicated in the notice – where their number exceeds the limitation, indicated in the notice;
4. date of drawing up of the protocol;

(6) (new – SG 37/06, in force from 01.07.2006, prev. par. 3 – SG 33/12) In case the contracting authority has not included in the notice a restriction of the number of candidates, who shall be invited to submit offers, he/she shall be obliged to invite all candidates, who meet the criteria for selection and the minimum requirements of technical resources.

(7) (new - SG 37/06, in force from 01.07.2006; prev. par. 4 – SG 33/12; prev. par. 4 – SG 33/12) In case the contracting authority has included in the notice a restriction of the number of candidates, who shall be invited to submit offers, he/she shall be obliged to invite a number of candidates, at least equal to the minimum, determined in advance.

(8) (amend. - SG 37/06, in force from 01.07.2006; prev. par. 6, amend. – SG 33/12) In case the number of the candidates, meeting the criteria for selection and the minimum requirements, is below the minimum, indicated in the notice, the contracting authority may continue the procedure by inviting all candidates, who possess the required resources.

(9) (prev. text of par. 3, amend. - SG 37/06, in force from 01.07.2006; prev. par. 7, amend. –
SG 33/12) In case of assignment of public procurement under Art. 3, par. 2, where after the initial selection the contracting authority finds out, that the number of applicants meeting the selection criteria and the minimum requirements, is too low to guarantee real competition, the contracting authority may:

1. publish again the initial notice and to repeat the stage of selection of the newly submitted applications, or
2. terminate the procedure.

(10) (new – SG 33/12) In cases under par. 9, item 1 the contracting authority shall invite the applicants shortlisted after the first and second notice, to submit offers.

(11) (new – SG 33/12) The contracting authority may not invite to submit offers persons, who have not filed an application for participation, or applicants who do not have the required capacities.

(12) (prev. text of par. 4, amend. - SG 37/06, in force from 01.07.2006; amend. – SG 33/12) Within 5 working days from the date of the adoption of the written records, containing the final results of the selection, the contracting authority shall announce by a decision the applicants to be invited to present offers. The decision shall also include the candidates who do not meet the requirements announced by the contracting authority and the motives thereof.

(13) (prev. text of par. 6, amend. - SG 37/06, in force from 01.07.2006; amend. – SG 93/11, in force from 26.02.2012; prev. par. 9, amend. – SG 33/12; amend. - SG 40/14, in force from 01.07.2014) Within three days from taking the decision under par. 12 the contracting authority shall send it on the same day to all applicants. The call for submission of bids in the limited procedure shall be sent to the selected applicants within 7 days after:

1. the expiration of the term for appealing – where the decision is not appealed, and if it is appealed – no request for imposition of a transitory measure is made;
2. the enforcement of the decree by which the request for a transitory measure is rejected;
3. the enforcement of the decision where a transitory measure has been imposed.

(14) (new – SG 33/12; amend. - SG 40/14, in force from 01.07.2014) On the day of forwarding of the decision under par. 12 to the applicants, the contracting authority shall publish on the buyer’s profile the decision and the protocol of the commission subject to compliance with the provisions of Art. 22b, par. 3.

Art. 80. (amend. - SG 37/06, in force from 01.07.2006) The invitation for presenting offers for participation in the limited procedure shall contain:

1. term and place of filing the offers;
2. (amend. - SG 37/06, in force from 01.07.2006; amend. – SG 93/11, in force from 26.02.2012) date of publication of the notice for public procurement;
3. (new - SG 37/06, in force from 01.07.2006) a copy of the specifications and all additional documents, if they are not included in the documentation for participation, or electronic address for access to the specifications and additional documents, in case they are provided by electronic means;
4. (new - SG 37/06, in force from 01.07.2006; amend. SG 94/08, in force from 01.01.2009) the assessment methodology by each of the indices and the complex assessment methodology regarding the offer, where the criterion is economically the most favourable offer.

Art. 81. (amend. - SG 37/06, in force from 01.07.2006) (1) The contracting authority shall set, in the invitation under art. 80, a term for receiving of the offers which may not be shorter than 40 days from the date of the sending.

(2) The term under para 1 may be reduced up to 22 days when the advance notice has been sent for publication from 52 days to 12 months prior to the date of sending the notice under art. 76, para 1 and shall contain the information, available by the date of its sending.
(3) (amend. – SG 93/11, in force from 26.02.2012) The term under par. 1 may be reduced by 5
days, if from the date of publication of the notice the contracting authority provides full access to the
documentation for participation in the procedure by electronic means, provided that he/she shall point
out an Internet address, where it could be found.

(4) In the cases under art. 76, para 3 the contracting authority may set a term for receiving the
offers not shorter than 10 days from the date of sending the invitation under art. 80.

(5) (amend. – SG 93/11, in force from 26.02.2012; amend. - SG 40/14, in force from
01.07.2014) In the cases under art. 76, para 3 up to 7 days before the expiration of the term for receiving
the offers, every candidate may request in writing from the contracting authority elucidation on the
documentation for participation. The contracting authority shall be obliged to answer within three days
from receiving the request and to notify the other candidates by the order of art. 29, para 2.

(7) (amend. – SG 93/11, in force from 26.02.2012) The contracting authority shall be obliged to
prolong the term for receiving the offers:
1. where it has been found out that the initially set term is not sufficient for the preparation of
the offers, including where it is necessary to consider additional documents ad hoc;
2. (amend. - SG 40/14, in force from 01.07.2014) in the cases referred to in Art. 29, par. 3;
3. where this is required as a result of an opened appealing procedure.

Art. 82. (amend. – SG 33/12) (1) The offer shall be submitted in a sealed non-transparent
envelope according to the procedure referred to in Art. 57, par. 1, 4 – 6.

(2) The envelope referred to in par. 2 shall contain two separate sealed non-transparent and
inscribed envelopes, as follows:

   2. terminate the procedure.

(9) In cases referred to in par. 8, item 1 the contracting authority shall invite the applicants, shortlisted after the first and the second publications to participate in a dialogue.

(10) The contracting authority may not invite for participation in a dialogue persons, who have not filed application forms, or applicants not having relevant capacities.

(11) Within 5 working days from the date of receipt of the protocol, containing the final results of the selection, the contracting authority shall announce by a decision the applicants, who shall be invited to participate in a dialogue. In the decision shall also be included the candidates, who do not meet the requirements, announced by the contracting authority, as well as the justification thereof.

(12) (amend. - SG 40/14, in force from 01.10.2014) Within three days after taking of the decision under par. 11, the contracting authority on the same day shall forward the decision and the protocol of the commission according to the provision of Art. 22b, par. 3. The call for participation in the dialogue shall be sent to the selected applicants within 7-day term, determined according to the provision of Art. 79, par. 13.

(13) During the preliminary selection the contracting authority shall not be entitled to require offers and the candidate shall not have the right to present an offer.

Art. 83e. (new - SG 37/06, in force from 01.07.2006) The invitation for participation shall contain at least:
   1. (amend. – SG 93/11, in force from 26.02.2012) the date of publication of the notice for public procurement;
   2. a copy of the descriptive document and all additional documents or an electronic address for access to them, if they are provided by electronic means.
   3. date and place of conducting the dialogue;
   4. (amend. – SG 94/08, in force from 01.01.2009; amend. - SG 40/14, in force from 01.07.2014) the assessment methodology regarding each of the indices and the methodology for complex assessment of the offer.

Art. 83f. (new - SG 37/06, in force from 01.07.2006) (1) The commission, which has implemented the preliminary selection, shall conduct a dialogue with each of the approved candidates with the purpose of determining the parameters of the procurement, which meet to a greater extent the demands of the contracting authority.
(2) (amend. – SG 33/12) During the dialogue all parameters of the procurement may be discussed.

(3) To all candidates, participating in the dialogue, equality shall be guaranteed, by providing them with the same information.

(4) The commission shall not be entitled to provide the offers or other confidential information, obtained from a candidate, participating in the dialogue, to the other candidates, without his/her permission.

(5) The offers made and the agreements reached with each candidate shall be depicted in an individual written report, which shall be signed by the members of the commission and by the candidate.

(6) (suppl. – SG 93/11, in force from 26.02.2012) After concluding the dialogue with all candidates, the commission shall compile a written report to the contracting authority, in which the result of the dialogue is indicated and shall be proposed the candidates, which will be invited to present offers.

Art. 83g. (new - SG 37/06, in force from 01.07.2006) (1) Within 5 working days from presenting the written report of the commission the contracting authority shall announce by a decision that the dialogue is concluded and shall determine the candidates, who shall be invited to present offers.

(2) (amend. - SG 40/14, in force from 01.10.2014) Within three days from taking of the decision under par. 1 the contracting authority in the same day shall send the decision to all applicants and shall publish it on the buyer’s profile together with the report of the commission subject to compliance with the provision of Art. 22b, par. 3. The call for submission of bids shall be forwarded to the selected applicants within 7-day term, determined according to the provision of Art. 79, par. 13.

(3) In the invitation under par. 2 the contracting authority shall point out deadline for receiving the offers and the address, where they must be sent.

(4) The offer must meet the requirements of the contracting authority and contain all proposals for fulfilment of the offer, made in the course of the dialogue.

(5) Upon request by the commission the offers can be amended, supplemented and clarified. These amendments, supplements and clarifications may not amend the basic characteristics of the offer or of the invitation for presenting an offer, if this would lead to restriction of the competition or to discrimination of the candidates.

(6) The commission shall assess the received offers according to the indices, defined in the notice or in the descriptive document, and shall choose economically the most favourable offer.

(7) The commission may require from the participant, who has presented the most favourable offer economically, to clarify some of the characteristics of the offer or to confirm his/her obligations concerning it, on the condition that this will not lead to amendment in the basic characteristics of the offer or of the invitation for presenting an offer, as well as to restriction of the competition or to discrimination of the candidates.

Art. 83h. (new - SG 37/06, in force from 01.07.2006; amend. – SG 33/12) The contracting authority shall determine the contractor of the public procurement and shall conclude a contract with him/her by the order of art. 83, par. 4 – 6.

6. (suppl. – SG 94/08, in force from 01.01.2009; suppl. – SG 93/11, in force from 26.02.2012) the service is assigned by way of a project competition, sending invitations for participation in the negotiations to the first rated participant or to all rated participants in compliance with the terms of the competition;

7. due to unforeseen circumstances it is necessary to assign an extra service or construction to the same contractor under the following terms:

a) the extra service or the construction cannot, technically or economically, be separated from the object of the basic contract without considerable difficulties for the contracting authority or, although they can be separated, they are essentially necessary for the fulfilment of the procurement;

b) (amend. – SG 93/11, in force from 26.02.2012) the total value of the orders by which additional services or construction are being assigned, does not exceed 50 percent of the cost of the basic procurement;

8. necessary is a repetition of construction by the same contractor in the presence of the following terms:

a) the first procurement has been assigned by an open procedure, limited procedure and procedure of negotiation with notice and the notice for it indicated the possibility of such assignment;

b) the total value of this procurement is included in determining the value of the first
electronic address, where it can be found, the term may be reduced by 5 days.

9. (amend. – SG 93/11, in force from 26.02.2012) subject of the procurement is the delivery of goods determined by a list, proposed by the State Commission for the commodity exchanges and marketplaces and approved by the Council of Ministers with the Rules for Implementation of the Act;

10. the procurement shall be assigned on the basis of a frame agreement concluded pursuant to the law;

11. for a brief period occur favourable conditions for delivery of goods at prices lower than the market prices, including at sale of property of trade companies announced in liquidation or in bankruptcy;

12. (new – SG 93/11, in force from 26.02.2012; amend. – SG 33/12) the order is for services of category No. 21 of Attachment No. 3 to Art. 5, par. 1, item 2 for a cost referred to in Art, 14, par. 3.

(3) In the cases of para 2, item 5 and 8 the contract for additional procurement may not be longer than three years.

(4) In the cases under par. 2, item 9 the contract shall be concluded by the order of the Commodity Exchanges and Wholesale Markets Act.

(5) (suppl. – SG 33/12) In the cases under par. 2, item 11 the contract shall be concluded by the order of Part three of the Commerce Act.

Art. 104. (amend. - SG 37/06, in force from 01.07.2006) (1) In open procedure, when the contracting authorities have sent an advance notice, the term for receiving offers may be reduced to 22 days from the date, on which the notice for opening the procedure has been sent.

(2) In case the notice for opening the procedure has also been sent by electronic means, the term under par. 1 may be reduced by 7 days.

Art. 104a. (new - SG 37/06, in force from 01.07.2006) The term for receiving applications for participation in limited procedures and procedures of negotiation with notice may not be shorter than 37 days from the date, on which the notice has been sent.

(2) The term under par. 1 may be reduced by 7 days, if the notice has also been sent by electronic means.

(3) The term for receiving offers in limited procedure and procedure of negotiation with notice may be fixed by an agreement between the contracting authority and the candidates, determined at the preliminary selection. An agreement shall be admitted only on the condition that all candidates are given the same term for preparation and submission of offers.

(4) In case an agreement under par. 3 has not been reached, the term shall be determined by the contracting authority and may not be shorter than 24 days from the date of sending the invitation for presenting offers or for participation in the negotiations.

(5) In the cases under par. 4, when the contracting authority provides full access to the documentation for participation by electronic means and if in the notice has been pointed out an electronic address, where it can be found, the term may be reduced by 5 days.

Section II.
System of Preliminary Selection of Contractors

Art. 105. (1) The contracting authorities may create and use systems of preliminary selection of
contractors of public procurement.

(2) (new - SG 37/06, in force from 01.07.2006) The systems of preliminary selection may include different stages of selection.

(3) (prev. text of par. 2, amend. - SG 37/06, in force from 01.07.2006) The systems of preliminary selection shall be based on objective criteria and rules, which shall be determined by the contracting authority and can be amended by him/her if necessary.

(4) (prev. text of par. 3, amend. - SG 37/06, in force from 01.07.2006) The criteria and the rules for selection shall include requirements for economic and financial status under art. 50, para 1, and/or technical capacity and/or qualification under art. 51, par. 1 and may also include the requirements of art. 47, par. 1 and 2.

(5) (new - SG 37/06, in force from 01.07.2006) Where the criteria and the selection rules include technical specifications, the provisions of art. 30 – 32 shall be applied.

(6) (new - SG 37/06, in force from 01.07.2006) In case the selection criteria of the candidates contain requirements for economic and financial status and technical capacities, and/or qualification, the candidate may refer to the resources of third persons, regardless of the legal relations between him/her and the third persons. In these cases the candidate must provide the contracting authority with evidence that the resources are available within the whole term of validity of the system of preliminary selection. In case the candidate is an association of natural and/or legal persons, he/she may refer to the resources of a person, included in the association, or to third persons under the same conditions.

(7) (new - SG 37/06, in force from 01.07.2006) The criteria and the rules for selection under par. 3 shall be provided upon request by the candidates. The actualization of these criteria and rules shall be announced to the persons, included in the system of preliminary selection.

(8) (prev. text of par. 4, amend. - SG 37/06, in force from 01.07.2006; amend. – SG 93/11, in force from 26.02.2012) The contracting authorities shall send an notice for the systems of preliminary selection, created by them, to contractors to the Agency for entering in the Public Procurement Register. Where the system has a term of more than three years, the notice shall be published every year.

(9) (prev. text of par. 5, amend. - SG 37/06, in force from 01.07.2006; revoked – SG 33/12)

(10) (prev. text of par. 6 - SG 37/06, in force from 01.07.2006; amend. – SG 93/11, in force from 26.02.2012) Where the description of the subject of the system of preliminary selection and/or of the criteria and rules for selection is of a big volume the contracting authority shall include in the notice a brief description, and the detailed requirements shall be included in the documentation.

(11) (prev. text of par. 7 - SG 37/06, in force from 01.07.2006) When the contracting authority uses a system of preliminary selection he/she shall choose the candidates for participation in limited procedures and procedures of negotiation in compliance with the requirements of this system.

(12) (prev. text of par. 8, amend. - SG 37/06, in force from 01.07.2006) When a contracting authority considers that the system of preliminary selection of another person meets his requirements, he shall notify the interested persons that he will use it.

Art. 106. (1) Application for participation in the system of preliminary selection may be filed at any time within the term of validity of the system.

(2) (amend. - SG 37/06, in force from 01.07.2006) For considering the applications for participation in the system of preliminary selection the contracting authority shall appoint a commission by the order of art. 34 - 36.

(3) (suppl. – SG 37/06, in force from 01.07.2006) The commission shall consider every filed application and, on the grounds of the announced objective criteria and rules, shall propose to the contracting authority to include or refuse the inclusion of the candidate in the system of preliminary selection.

(4) The contracting authority shall be obliged to take a decision within 6 months from filing the
application for inclusion in the system of preliminary selection.

(5) Where the decision under para 4 requires more than 4 months the contracting authority shall notify the candidate within two months from filing the application for the reasons and for the date by which the decision will be taken.

(6) Within 15 days from the date of the decision under para 4 the contracting authority shall notify the candidate about his inclusion in the system of preliminary selection or his refusal to do so. The refusal shall be motivated.

(7) (amend. - SG 37/06, in force from 01.07.2006) In taking a decision under para 4 or when the criteria and rules are changed the contracting authority may not:

1. impose on the candidates requirements of administrative, technical or financial nature which do not regard the other candidates;
2. require inspections or proof repeating already presented by the candidate evidence.

(8) (amend. - SG 37/06, in force from 01.07.2006; amend. – SG 93/11, in force from 26.02.2012) The contracting authority shall maintain lists of the candidates included in the systems of preliminary selection of contractors of public procurement who may be divided into categories depending on the subject of the procurement which the system concerns. In the cases of art. 105, para 12 the contracting authority shall be obliged to submit information for the system and the lists to other contracting authorities.

(9) The contracting authority may terminate the participation in the system of preliminary selection of a candidate who has ceased to meet the announce criteria. He shall be obliged to inform him about that at least 15 days before the date of termination motivating it.

13. the subject of the order is related to provision of air and sea transport services to armed forces or to security forces of the country, located or to be located outside its territory, where the contracting authority must provide these services by contractors guaranteeing the validity of their offers only for such short terms, that the term for conducting of a limited procedure or of a contracting procedure with prior notification, including the shorter terms referred to in Art. 76, par.3 and Art. 86, par. 3 may not be met.

(4) In cases referred to in par. 3, item 8 the contract for additional public procurement may not be for more than 5 years, except for in case of exceptional circumstances, which shall be determined by taking into account the life cycle of the supplied products, facilities or systems and technical difficulties, which the change of the supplier may cause.

(5) In cases referred to in par. 3, item 12 the procedure may be opened not later than within 5 years after the assignment of the first public procurement, except for in cases of exceptional circumstances, which require the procedure to be conducted within this term.

(6) In cases referred to in par. 3, item 9 the contract shall be concluded subject to the rules of the respective stock exchange.

(7) In cases referred to in par. 3, item 10 the contract shall be concluded subject to the provisions of section Three of the Commerce Act.

Art. 119d. (new – SG 33/12) (1) Contracting authorities may conclude a frame agreement for assignment of public procurements based on a limited procedure, public procurement with prior notification or a competitive dialogue.

(2) Frame agreements shall be concluded for a period not exceeding 7 years. As an exception, the term of the frame agreement may be longer, where in consideration of the estimated life cycle of the supplier goods, facilities or systems, the change of the contractor may cause technical difficulties. The contracting authority shall indicate the justification thereof in the notice.

(3) The all matters not covered by the frame agreement the provisions of Art. 93a – 93d shall
apply.

Chapter ten.
"b" SPECIAL RULES (NEW – SG 33/12)

Section I.
Terms and conditions for implementation of public procurement (New – SG 33/12)

Art. 119e. (new – SG 33/12) (1) Where according to Art. 26, par. 2 the notice indicates that the public procurement contains or requires classified information, in the documentation, submitted together with the call for proposals, the contracting authority shall specify for the participants and their sub-contractors requirements for protection of classified information.

(2) In cases referred to in par. 1, in addition to the documents referred to in Art. 51, par. 1, item 12 the contracting authority may:

1. request presentation of a permit, a certificate or an approval for access to classified information in the meaning of the Protection of Classified Information Act for the selected sub-contractors;

2. include in the draft contract clauses, obliging the contractor:

   a) to present the document referred in item 1 also for the sub-contractors, selected in the course of implementation of public procurement;

   b) to protect the classified information, made available to him/her in the course of the procedure, during and after the accomplishment of public procurement;

   c) in contracts with sub-contractors, selected before and during the implementation of the public procurement, to include clauses under item "b" for protection of classified information.

(3) In cases referred to in Art. 51, par. 1, item 12 the contracting authority shall recognize the permits for access to classified information, issued in compliance with the laws of the European Union Member State, where the applicant or the participant is based, in case of an existing and enforced international treaty or a bilateral agreement for protection of classified information, to which the Republic of Bulgaria is a party. This does not exclude the opportunity the contracting authority, subject to the terms and conditions and following the procedure of the Protection of Classified Information Act, to request carrying out of additional research in the respective European Union Member State.

Art. 119f. (new – SG 33/12) (1) Where in compliance with the provision of Art. 26, par. 2 the contracting authority has included in the notice requirements for safety of supplies, it may:

1. request the offer to contain also:

   a) licenses or other appropriate documents, issued in the respective European Union Member State, evidencing that the participant will be in a position to fulfill the obligations regarding the export, transfer and transit of goods, related to the public procurement;

   b) indication of all restrictions, related to disclosure, transfer or use of goods and services or the results thereof, arising out of control over the export or out of agreements in the field of defense;

   c) evidences, that the organization and the location of the supply chain of the participant allow compliance with these requirements, and also a declaration, that possible changes in the supply chain in the course of implementation of order will not have an adverse effect;

   d) each accompanying documentation, received in the national bodies of the participant regarding implementation of additional needs, required by the contracting authority, having occurred as a result of a crisis;

2. include in the draft contract clauses, obliging the contractor:
a) to set up and/or maintain the capacity, required for meeting additional needs, required by the contracting authority as a result of a crisis, subject to compliance with the agreed terms and conditions and the procedure;
   b) to carry out maintenance, upgrading or adaptation of supplies, covered by the public procurement;
   c) to notify the contracting authority without delay of any change, having occurred in his/her organization, the supply chain or industrial strategy, which may affect the implementation of the order;
   d) in case of termination of production, to provide to the contracting authority all special equipment required for production of spare parts, components, fixing components and special testing equipment, including technical drawings, licenses and operation instructions, subject to terms and conditions and following a procedure agreed upon prior to occurrence of the respective circumstance.

(2) The contracting authority may not put requirements to the participant, which may cause contravention to the license criteria for export, transfer or transit of the respective European Union Member State.

Art. 119g. (new – SG 33/12) (1) (new – SG 40/14, in force from 01.07.2014) For public procurements under Art. 3, par. 2 by the notice the contracting authority may specify a share of the public procurement to be fulfilled by subcontractors by specifying the minimum and the maximum percentage of the value of the public procurement, but not more than 30 per cent.

(2) (new – SG 40/14, in force from 01.07.2014) By their bid the participants may propose a share of the total value of the public procurement not exceeding the maximum amount referred to in par. 1.

(3) (new – SG 40/14, in force from 01.07.2014) By their bid the participants shall specify types of works within the subject of the procurement to be assigned to subcontractors and corresponding to these works share of the public order which may not be less than the minimum percentage specified by the contracting authority, and also the already nominated subcontractors.

(4) (prev. par. 1, amend. – SG 40/14, in force from 01.07.2014) Where a participant has nominated by their bid one or more of the subcontractors, with whom they are going to conclude subcontracts, they shall be obliged to:
   1. indicate in the offer the proposed subcontractors, the type of works to be carried out and the share of their participation;
   2. present documents, evidencing compliance of selection criteria of each individual one in consideration of the type and share of their participation;
   3. notify the contracting authority of every change of subcontractors, having occurred in the course of implementation of the public procurement contract.

(5) (prev. par. 2 – SG 40/14, in force from 01.07.2014) The contracting authority shall eliminate a participant if the proposed by him/her subcontractors do not meet the selection criteria.

Art. 119h. (new – SG 33/12) (1) The contracting authority may oblige the participant, nominated for a contractor, to select the subcontractors for all or for some of the works proposed for subcontracting subject to compliance with the provisions of Art. 119i – 119k. This opportunity shall be indicated in the notice.

(2) The contracting authority shall indicate in the decision for nomination of a contractor for which works, proposed for subcontracting the subcontractors must be selected subject to compliance with the provisions of Art. 119i – 119k.

(3) The contracting authority shall not have the right to put restrictions, based on subcontractors’ national identity.
Section II.
Selection of subcontractors (new – SG 33/12)

Art. 119i. (new – SG 33/12) Where the participant, nominated for a contractor, is an employer under Art. 7, he/she shall conclude subcontracts for the amount specified in Art. 14, par. 2 through a procedure referred to in Art. 119c, par. 1.

Art. 119j. (new – SG 33/12) (1) (amend. – SG 40/14, in force from 01.07.2014) Where the participant nominated as a contractor is not an employer under Art. 7 and has to meet a requirement under Art. 119h, par. 1, he/she shall issue a notice in compliance with the form, approved by the regulation of Art. 45c, par. 9 or following the provision of Art. 19, par. 7 – for subcontracts for an amount specified in Art. 45a, par. 2, item 7 and in the European Union Official Journal subject to compliance with the provisions of Art. 45a, par. 7, 10 and 11.

(2) (amend. – SG 40/14, in force from 01.07.2014) The notice referred to in par. 1 shall be published in the Public Procurement Register, and for subcontracts with a value specified in Art. 45c, par. 2, item 7 – in the Official Journal of the European Union subject to compliance with the provision of Art. 45c, par. 7, 10 and 11.

(3) In cases referred to in par. 1 the subcontractors shall be selected subject to compliance with the principles of transparency and competition.

Art. 119k. (new – SG 33/12) (1) For selection of a subcontractor under Art. 119i and 119j the selection criteria, indicated by the contracting authority for the public procurement, shall apply. The participant, nominated as a contractor, may set out also other criteria, which correspond to these indicated by the contracting authority.

(2) The selection criteria under par. 1 should be objective, non-discriminatory, to me related to the subject of the subcontract and to be proportional to its scope.

Art. 119l. (new – SG 33/12) (1) The contracting authority shall have the right to reject subcontractors, selected by the participant, nominated as a contractor only in case they do not meet the selection criteria, applicable to the participants and indicated in the notice and in the documentation. In this case the participant nominated as a contractor shall be obliged again to apply the procedure referred to in Art. 119i – 119k.

(2) In cases referred to in par. 1 the contracting authority shall issue a justified decision, which it shall send to the participant nominated as a contractor within three days after its issuance.

Art. 119m. (new – SG 33/12) The decisions of the participant nominated as a contractor, related to selection of s subcontractor, shall not be subject to appeal in cases, where the participant, nominated as a contractor is not an employer under Art. 7.

Art. 119n. (new – SG 33/12) The responsibility for the fulfillment of a public procurement contract shall be borne by the contractor even in cases where he/she has concluded subcontracts.
Part four.

APPEAL AND CONTROL (TITLE AMEND. - SG 37/06, IN FORCE FROM 01.07.2006)

Chapter eleven.

APPEAL (TITLE AMEND. - SG 37/06, IN FORCE FROM 01.07.2006)

Art. 120. (Amend. - SG 37/06, in force from 01.07.2006; amend. – SG 52/10; amend. – SG 93/11, in force from 26.02.2012) (1) Following the procedure under this Chapter every decision of the contracting authorities shall be subject to appeal regarding:

Contracting authority’s acts for issuing of decisions under par. 1 shall not be subject to individual appeal.
(5) (prev. par. 3 – SG 93/11, in force from 26.02.2012; prev. par. 4 – SG 33/12) The appeal could be lodged in 10-days term, considered from:
1. (amend. – SG 93/11, in force from 26.02.2012) after expiration of the term under Art. 27a, par. 3 – against the decision for opening of the procedure and/or the decision for a change;
2. (new – SG 93/11, in force from 26.02.2012) publication of the decision for opening of a procedure under Art. 76, par. 3 of Art. 86, par. 3 or of contracting without notice;
3. (prev. item 2, amend. and suppl. – SG 93/11, in force from 26.02.2012; amend. and suppl. – SG 33/12) the receipt of the decision under Art. 79, paragraph 12, Art. 83d, para 11, Art. 83g, para 1, Art. 88, paragraph 11, Art. 93g, par. 4, Art. 106, par. 4 and Art. 119m, par. 2;
4. (prev. item 3– SG 93/11, in force from 26.02.2012) the receipt of the decision for choosing a contractor or for concluding the procedure;
5. (prev. item 4 – SG 93/11, in force from 26.02.2012) publishing the voluntary transparency notice in the public procurement register or in Official journal of the European union – against the decision for choosing a contractor.
(6) (new. – SG 93/11, in force from 26.02.2012; prev. par. 5, amend. – SG 33/12; revoked – SG 40/14, in force from 01.10.2014)
(7) (new – SG 93/11, in force from 26.02.2012; prev. par. 6, amend. – SG 33/12) The appeal under par. 4 shall be filed within 10 days after the notification of the respective action, and if the person has not been notified – from the date, on which the term for accomplishment of the respective action has expired.
(8) (prev. par. 4, amend. – SG 93/11, in force from 26.02.2012; prev. par. 7 – SG 33/12) The appeal may be submitted by:
1. (amend. – SG 93/11, in force from 26.02.2012; amend. – SG 33/12) every interested person – in the cases under par. 5, items 1, 2 and 4, par. 6 and 7;
Art. 120a. (new - SG 37/06, in force from 01.07.2006; amend. – SG 52/10) (1) (suppl. – SG 33/12) The appeal against a decision, act or omission of the contracting authority, except for this for nomination of a contractor shall not suspend the procurement assignation procedure, except in those cases where a temporary measure has been requested – "stay of the procedure".

(2) In case the temporary measure under paragraph 1 has been requested with the appeal, the public procurement assignation procedure shall be suspended until entering into force of:

1. the ruling, which discard the temporary measure request, or
2. the decision regarding the appeal, in case a temporary measure has been imposed.

Art. 120b. (new – SG 52/10) An appeal against the decision for designation of a contractor shall suspend the procedure for assigning public procurement till the dispute is completely resolved, unless a preliminary execution has been permitted.

Art. 121. (amend. - SG 37/06, in force from 01.07.2006) (1) (amend. – SG 52/10; amend. – SG 93/11, in force from 26.02.2012) The appeal shall be submitted at the same time to the Commission for Protection of Competition and to the contracting authority, whose decision, act or omission is subject to the appeal.

(2) The appeal shall be written in Bulgarian language and shall contain:

1. name of the authority, before which it is lodged;
2. (suppl. – SG 40/14, in force from 01.07.2014) name, seat and address of management and information of the court registration of the appellant – legal person; the name, the address and information of the identity of the appellant, if he/she is a natural person, and also an address, including email address, for receiving communications and summons;
3. (amend. – SG 52/10) name and address of the contracting authority;
4. information of the public procurement and the decision, the action or inaction, which is appealed;
5. the complaints and the request of the appellant;
6. signature of the person, lodging the complaint, or his/her proxy.

(3) A request for a temporary measure shall be made simultaneously with the submission of the appeal.
(4) (amend. – SG 93/11, in force from 26.02.2012) To the appeal to the Commission for protection of competition shall be attached:

1. a copy of the decision subject to appeal, where it is not published in the Public procurements register;
2. (amend. – SG 33/12) evidences of meeting the term referred to in Art. 120, par. 5 and 7;
3. (amend. – SG 40/14, in force from 01.07.2014) a document of paid state fee;
4. an evidence of the appeal being sent to the contracting authority;
5. other evidences, if the appellant has any.

(5) (amend. – SG 93/11, in force from 26.02.2012) If the appeal does not meet the requirements under par. 2 and par. 4, items 1 – 3, or a document for paid state fee has not been presented, the Commission for Protection of Competition shall inform the appellant thereof and shall provide him/her with three days term for removal of the irregularities.

(6) The Commission for Protection of Competition shall not initiate proceedings, in case:

1. (amend. – SG 52/10; amend. – SG 93/11, in force from 26.02.2012; amend. – SG 33/12) the appeal has been lodged after the expiry of the term under art. 120, par. 5 and 7;
2. the irregularities have not been removed within the term under par. 5;
3. a document for paid state fee has not been presented;
4. (revoked – SG 52/10; new – SG 93/11, in force from 26.02.2012) the appeal has been filed prior to expiration of the term, referred to in Art. 27a, par. 3;
5. (new – SG 94/08, in force from 01.01.2009) the appeal has been withdrawn prior to their initiation.

(7) (amend. – SG 52/10) In the cases under par. 6, the chairperson of the Commission for Protection of Competition shall return the appeal by an order, which shall be subject to appeal before a three-member board of the Supreme Administrative Court within 3 days term from its notice.

(8) The contracting authority is entitled to remedy the infringement before the Commission for Protection of Competition rules on the appeal.

Art. 121a. (new - SG 37/06, in force from 01.07.2006; amend. – SG 52/10) (1) (amend. and suppl. – SG 93/11, in force from 26.02.2012; amend. – SG 33/12) In three days term from receiving the appeal or correcting its irregularities the chairman of the Commission for Protection of Competition shall initiate a procedure and shall appoint a member of the commission to monitor the research. The contracting authority shall be notified of the initiated procedure.

(2) (new – SG 93/11, in force from 26.02.2012) The contracting authority shall send an opinion on the appeal, supported as a request by evidences, within three days after the receipt of the notification of par. 1.

(3) (prev. par. 2 – SG 93/11, in force from 26.02.2012) In case a request for imposing a temporary measure has been made with the appeal the Commission for Protection of Competition shall give a well-grounded opinion on it in a closed session in 7-days term from the initiation of the procedure.

(4) (prev. par. 3 – SG 93/11, in force from 26.02.2012; suppl. – SG 33/12) Based on the opinion of the contracting authority and the evidence, presented by the parties, the Commission for Protection of Competition shall make a statement regarding the request following an assessment of the possible consequences from imposing the temporary measure with regard to all interests, that could be eventually harmed, including the public interest and the interests, related to the defense and security.

(5) (prev. par. 4 – SG 93/11, in force from 26.02.2012) The Commission for Protection of Competition shall not be obliged to impose a temporary measure, in case the negative consequences for all interests outweigh compared to the benefits of its imposing.

(6) (prev. par. 5 – SG 93/11, in force from 26.02.2012) Ruling on the temporary measure shall
not bind the Commission for Protection of Competition regarding the decision on the merits of the case, as well as it shall not concern the other requests of the appellant.

(7) (prev. par. 6, amend. – SG 93/11, in force from 26.02.2012) The ruling for pronouncing on the temporary measure shall be subject to appeal before three members of the Supreme Administrative court in three days term following its notice to the parties. The court shall pronounce in a closed session within 14 days after the initiation of the proceedings under the private appeal. To all non-regulated matters regarding the proceedings of the appeal the provisions of Chapter Thirteen of the Code of Administrative procedure shall apply.

Art. 121b (New – SG 52/2010) (1) (amend. – SG 93/11, in force from 26.02.2012) In case the decision for selection of a contractor is a subject to appeal, the contracting authority may within the term for presentation of the opinion referred to in Art. 121a, par. 2 request from the Commission for Protection of Competition to permit preliminary execution of the decision. A request for preliminary execution, filed after this term, shall not be considered by the Commission for protection of competition.

2. The contracting authority shall provide reasons for its request under para 1 and shall enclose evidence supporting its statements.

3. In a closed session the Commission for Protection of Competition shall rule on the request for allowing a preliminary execution in three days term from receiving the statement.

4. (suppl. – SG 33/12) The Commission for Protection of Competition shall allow a preliminary execution of the decision for assignation of a contractor as an exception, where necessary, in order to preserve the life or health of the citizens, to protect state or public interests of great importance, including these, related to the defense and security, or if as a result of the delay of the execution a significant damage is done or a damage difficult to repair may occur.

5. The preliminary execution under paragraph 4 shall not be allowed in case it is justified by economic interests, related to expenses made for:
   1. a delay of the contract execution;
   2. opening a new procedure for procurement assignation.

6. (new – SG 33/12) The commission for protection of competition shall allow preliminary execution of the decision for selection of a contractor in all cases where the implementation of a large-scale program in the field of defense of security, which is of a vital importance for country interests, could be seriously impaired.

7. (prev. par. 6 – SG 33/12) The ruling shall be subject to appeal before the Supreme Administrative Court in three days term from its notice to the parties.

8. (amend. – SG 93/11, in force from 26.02.2012; prev. par. 7 – SG 33/12) The Supreme Administrative Court shall pass judgement on the ruling in a closed session in 14-days term from starting the procedure regarding the private appeal.

Art. 122. (amend. - SG 37/06, in force from 01.07.2006; amend. SG 52/2010) (1) When there is an on-going procedure against a decision for assignation of a contractor and no preliminary execution has been allowed, the Commission for Protection of Competition shall inspect ex officio for the presence of a pending procedure against another decision of the contracting party related to the same procedure.

2. In case that the Commission for Protection of Competition finds out that there is a pending procedure under paragraph 1, it shall suspend the proceedings, started with an appeal against the
decision for assignation of a contractor.

(3) The proceedings shall be resumed ex officio or at a request by one of the parties following the invalidation of the reason for suspending.

Art. 122a. (new - SG 37/06, in force from 01.07.2006) (1) (amend. – SG 33/12) The research shall cover the circumstances with respect to the appeal, filed within the term set up in Art. 120, par. 5 and 7 and shall be carried out by a work team from the administration of the Commission for protection of competition, appointed by an order of the Chairman. The research shall be monitored by a member of the commission referred to in Art. 121a, par. 1, who shall issue instructions, where appropriate.

(2) (new – SG 33/12) Where public procurement contains or requires classified information, including with a subject under Art. 3, par. 2, the employees from the administration of the Commission for protection of competition, involved in the proceedings for consideration of the file must hold a permit for access to classified information up to a certain level according to the provisions of the Protection of Classified Information Act.

(3) (prev. par. 2- SG 33/12) In the proceedings before the Commission for Protection of Competition shall be admitted written and oral evidence, as well as expert statements.

(4) (amend. – SG 52/10; prev. par. 3 – SG 33/12) Where expert statements are used in the proceedings before the Commission for Protection of the Competition, the sums designated for consideration of the experts shall be deposited in advance by the party, who has demanded the expertise. Upon instituting an expertise at the initiative of the Commission for Protection of the Competition, the expenses for the expert consideration shall be assigned to the appellant, if the appeal has been left without consideration or the proceedings have been terminated, and to the contracting authority – in the cases under art. 122d, par. 1, item 2, 4 or 5.

(5) (prev. par. 4 – SG 33/12) The parties to the proceedings, the state bodies and the officials shall be obliged to provide support to the Commission for Protection of Competition in fulfilment of its liabilities, assigned by the law.

(6) (prev. par. 5 – SG 33/12) All evidence, collected in connection to the proceedings, may not be announced, if they represent production, trade or other secret, protected by an Act. In case they contain data, representing classified information, shall be applied the procedure, stipulated by the Protection of Classified Information Act.

(7) (prev. par. 6 – SG 33/12) After concluding the research, the parties shall be given a chance to get acquainted with the evidence collected concerning the file.

(8) (prev. par. 7 – SG 33/12) The parties shall be obliged to present all evidence not later than the day before the session for consideration of the appeal.

Art. 122b. (new - SG 37/06, in force from 01.07.2006) (1) (amend. – SG 33/12) Upon completion of the research, the work team shall present to the monitoring member of the commission a report containing factual and legal analysis of the case, and also a proposal for the way of conclusion of the proceedings.

(2) (new – SG 33/12) The monitoring member of the commission shall notify the chairperson of the accomplishment of the research. By a resolution, the chairperson shall schedule an open session for consideration of the file.

(3) (amend. – SG 59/07, in force from 01.03.2008; prev. par. 2 – SG 33/12; amend. – SG 40/14, in force from 01.07.2014) The parties shall be summoned by the order of the Code of Administrative procedure, where the deadline of summoning shall be minimum three days prior to the session. Parties may be served communications and summons also to their email address.

(4) (prev. par. 3 – SG 33/12) The parties may use defense counseling.
Art. 122c. (new - SG 37/06, in force from 01.07.2006) (1) (amend. – SG 102/08; amend. – SG 54/10; amend. - SG 73/11, in force from 21.10.2011) The sessions shall be valid, when at least four of the members of the Commission for Protection of Competition are present.

(2) (new – SG 33/12) Where public procurement contains or requires classified information, including with a subject under Art. 3, par. 2, the members of the Commission for protection of competition involved in the proceedings for consideration of the file, must hold a permit for access to classified information up to a certain level according to the provisions of the Protection of Classified Information Act.

(3) (amend. – SG 102/08; amend. – SG 54/10; amend. – SG 54/10; amend. - SG 73/11, in force from 21.10.2011; prev. par. 2 – SG 33/12) The Commission for Protection of Competition shall state decisions and adjudications by open voting and a majority of 4 votes. In case at the session are present less than 7 members, the decision shall be enacted only if at least 4 members of the Commission have voted for it.

(4) (amend. – SG 102/08; revoked, prev. par. 3 – SG 33/12)) A member of the Commission may not participate in research proceedings under this Act, in case he/she is interested in the outcome of it or if there are reasonable doubts in his/her impartiality. The said member shall be struck off on their own initiative or upon request by the parties.

(5) (revoked – SG 102/08)
